

My entire family listens to Airl on local station 90.1. This is the only station we listen to due to the christian values and new music. We support the station financially and would love to continue to do so. In the community we live in there are thousands of listeners that would have no other stations to listen to if you replace Airl with a new station. Please let us keep our station, this is something the whole family and community can enjoy and benefit from, there are not any other stations like it!

Thank you, Myra, Tony, Harrison, Tori, Hayden, Madison & Jack Thornton
